Making Sense of Discipline - Neufeld Parenting Course

The real question for concerned parents and teachers is not just about how to manage a child's behaviour but rather how to do so without causing harm to relationship, development, and well-being. This online course unfolds how to do just that, while at the same time not compromising the adult's responsibility to impose some order on behaviour when circumstances require. The guidelines and principles apply to children of all ages. Weekly on Tuesdays, from February 17 to March 10 on Zoom.
