On Track for Justice - from father to daughter Lives in the village of Piquiá de Baixo in Brazil began being disrupted in the 1980s, with the arrival of several polluting industries in their backyard. The villagers formed an association to defend their rights. Flavia's father started the fight, and she picked up the torch. Last year, after a 20year struggle, 312 families affected by industrial pollution moved to the new, cleaner, safer village of Piquiá da Conquista. The support of Development and Peace - Caritas Canada's partner, Justiça nos Trilhos (JnT), made this relocation possible for 1,300 people. Learn more about JnT's in our Mini-magazine and meet Flavia and her daughter Aylla by watching their testimonies at devp.org/lent.
